

WAX

For Flathead Printers

Recommending a ribbon

I28

Economy Wax. Good print quality.

I-28 is designed to handle basic general purpose applications with ease. With its "soft-wax" formulation, it gives excellent print results on uncoated paper tag and label stocks as well as coated.

Suitable to print up to 12 ips, I-28 also prints at energy levels well below most competitive wax ribbons, providing the added benefit of extended print head life.

Benefits

- handles basic general purpose applications with ease
- Excellent print results on uncoated label stocks
- Low energy levels

Applications

- General purpose
- Shipping, warehousing and receiving
- Retail tag and label
- Apparel ticketing
- Compliance
